

World War I Service Men and Women From Des Moines County, Iowa

The following names were taken from an article entitled "*Honor Roll; Des Moines County, Iowa Men and Women Who Served During World War I.*" It was originally published in The Burlington Hawk-Eye, page 6, April 2, 1961 (Burlington, Des Moines County, Iowa).

The names were transferred from the original page via OCR (optical character recognition) and I have attempted to check each one thoroughly, some misspellings may exist. On a few occasions, I could not tell what the spelling on the page was due to the original scan of the document. I regret any errors.
